

M-SPIRIT Equipment Update! Some clinics will need to have network jacks installed so a network benefit (check) printer can be used in M-SPIRIT. This applies to the following clinics:

- Townsend
- Great Falls
- Miles City
- Glendive
- Anaconda
- Lewistown
- Kalispell
- Bozeman
- Havre
- Polson
- Helena
- Eureka
- Libby
- Missoula
- Hamilton
- Billings
- Thompson Falls
- Butte
- Glasgow
- Poplar
- Wolf Point
- Lame Deer
- Browning
- Crow Agency
- Box Elder

You will need to start thinking about whether you like the benefit printer where it is now or if you want to switch locations. You do not need to think about where the jack should be installed, just the printer location. Thanks!
